

Vacuum Switch Electronic

for relative pressure -1...0 bar (-30...0 inHg)

- Smart intelligent Sensor
- Light weight and space saving Design
- Digital Output Signal programmable (no/nc)
- Analog Signal (1-5 V)
- LED Switching Status Indication
- Very Fast Switching – less than 2,5 ms

GENERAL DATA

Pressure Range	-1...0 bar (-30...0 inHg), relative to ambient pressure
Fluid	Filtered compressed air, lubricated or unlubricated, neutral gases
Operating Voltage	10,8 VDC - 30 VDC ± 10 % (Short-circuit protected)
Digital Output	1 x PNP sourcing type transistor, 125 mA per output Set-/ Reset Points programmable 0 – 100% FS
Analog Output	1 – 5 V
Switching Frequency	200 Hz

MECHANICAL DATA

Weight	25 g
Electrical Connection	M8 x 1 (4 pins)
Port	G 1 /8" male (BSPP) and M5 female, 1/8" NPT and M5 female, flange (accessory)
Material Housing / Port	Plastic ABS-PC / brass nickel-plated

ORDERING INFORMATION

Name	Sensor femto PSVAD vacuum
Part Number	250 01 890 (G1/8" male and M5 female) 250 01 891 (1/8" NPT male and M5 female)

ELECTRICAL DATA

Operating Voltage	10,8 VDC - 30 VDC ± 10 % (Short-circuit protected)
Current Consumption	25 mA
Keypads / Control Panel	Switch Point and Reset Point with adjustable by means of Teach-In Function, LED-status indicator for Output signal
Repeat accuracy	0.2% of measured value
Ambient Temperature Influence	3% of measured value at 0 to 50°C
Test voltage	1000 VDC 1 min
Insulation resistance	>100 M at 500 VDC
Protection class	SELV

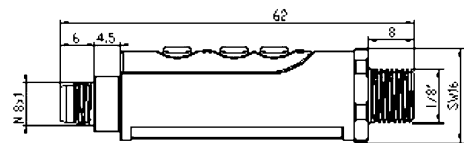

ENVIRONMENTAL

Mounting	Arbitrary
Max. Excess Pressure	5 bar
Degree of Protection	IP 65
Material Housing / Port	Plastic ABS-PC / Messing nickel-plated
Electromagnetic Compatibility	Adheres to DIN EN 50081-1 / DIN EN 50082-2
Shock Resistance	10G XYZ
Vibration Resistance	10 to 55 Hz, 1.5 mm, XYZ 2 hours

WIRING

PIN	WIRING	CABLE	PLUG
1	Ub+	brown	
2	1 - 5 V	white	
3	0V	blue	
4	OUT 1	black	

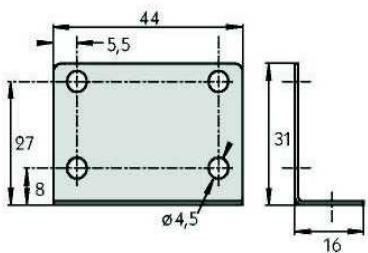

DRAWING

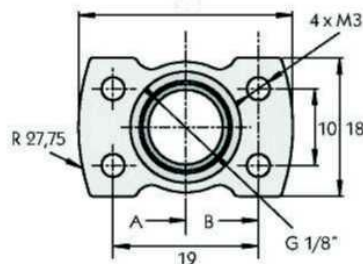

ACCESSORY

Cable	5 meter with axial plug M8 x 1	110 26 310
Cable	5 meter with radial plug M8 x 1	110 26 300
Mounting Material	Flange Adapter with O-Ring and bracket	080 40 610
Mounting Material	Flange Adapter with O-Ring	080 41 730

Fixing Bracket

Adapter Flange

Cable M8 x1
